Lesson 2: Rules of staying safe online

Group & Paired Activities

Being truthful

Read the hadith to the class:

The Messenger of Allah ﷺ said:

‘I enjoin you to be truthful, for truthfulness leads to righteousness and righteousness leads to Paradise.’

Bukhari

Inform students that ‘righteousness’ is a big word which means doing good actions.

Ask pupils to discuss in groups: What is the Prophet ﷺ asking us to do in this hadith? (To be truthful.)

Explain that if something happens online which makes them feel unsafe or uncomfortable, or if someone does something online which they shouldn’t have, it is important for them to tell a trusted adult such as parents or teachers – this is a good action.

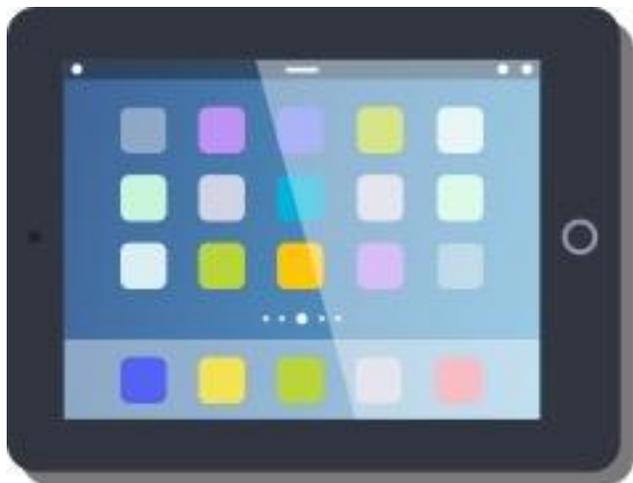

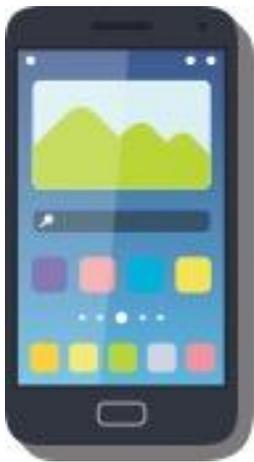

Review learning by referring to learning objectives and learning outcomes.

Pose questions to check understanding and clarify misconceptions using **think, pair, share**:

- Why do people use the internet?
- What are the **six** rules for staying safe online?
- What should you do if something happens online that makes you feel unsafe?
- Give me **three** examples of ‘personal information’.
